ANNOUNCEMENT: POSTPONEMENT OF ADDITIONAL FREQUENCIES

Air Namibia herewith announces postponement for launch of additional frequencies on some of our domestic and regional routes, which were due to start on 31 March 2019.

Details of additional frequencies to be postponed are as follows;

- Eros – Ondangwa – Eros:** We initially had planned to introduce three additional flights per week, which would have resulted in us having 3 flights operated per day on Wednesdays, Fridays and Sundays. The number of flights on this route for those days will instead remain on 2 per day.
- Eros – Katima Mulilo – Eros:** The launch of the additional rotation envisaged for Thursdays is delayed, resulting in flight frequencies on this route remaining on 4 per week, operated on Mondays, Wednesdays, Fridays and Sunday.
- Eros – Rundu – Eros:** The launch of the additional rotation envisaged for Mondays is delayed, resulting in flight frequencies on this route remaining on 3 per week, operated on Wednesdays, Fridays and Sunday.
- Ondangwa – Walvis Bay – Ondangwa:** 3 flight frequencies per week will be withdrawn from our service offering effective 31 March 2019. Passengers wishing to travel on this route do so by travelling via Windhoek.
- Walvis Bay – Johannesburg – Walvis Bay:** Route will be withdrawn from service offering effective 31 March 2019, and the market for this route will be serviced via Windhoek.

Board of Directors: Adv. Deidre Sauls- Deckenbrock (Chairperson), Ms. Nangula Kauluma (Vice-Chairperson), Ms. Heritha Muyoba, Mr. Willy Mertens, Mr. Escher Luanda, Capt. Alois Nyandoro

Among the reasons for postponement of the frequency increases is the need to ensure operational readiness from the perspective of aircraft availability and related reasons.

We would like to apologise to the flying public and our esteemed client for postponement of introducing these additional frequencies, and we will ensure that as soon as it becomes feasible for us to launch these services, related announcements will be made.
